**Purpose:** We hope to provide funds to help build a trade school at the New Life Community Center in Kisii, Kenya so the orphans can have direction after high school. This is the orphanage where we helped provide a home for 4 orphans 2 years ago. <http://nlccorphans.org/>

In past years you helped the Gambians with teacher housing and tree protection where deforestation is a real problem.

Past George's Goats have also helped provide 2000 goats, seed, food, blankets, shirts, gristmill, 5 water wells in Zambia, and 1 water holding tank in Uganda.
